Hungarian Communication Studies Association and the KOME editorial team would like to express their gratitude to all who reacted positively to our invitation and participated in the peer review process. We are indebted to you, to your patience and generosity for letting us take some of your precious time. Your expertise is much appreciated and your efforts in providing thorough reviews and valuable comments are among the key reasons KOME is continuing to be a successful journal recognised by the international scientific community. For this, as well as for reasons concerning accountability and transparency, we would like to publicly recognize all 23 reviewers who reviewed, in 2022, at least one manuscript submitted to KOME:
